

VISUALISING OUR FANTASY WORLDS, »»» → SEEMS SOMETHING FOR YOU?

Job opportunity as a 3D VISUALISER

whAt we need

Currently we are looking for a 3D visualiser to be part of our Hasselt design team. You will be responsible for the visualisation of our interior projects, it would be a plus if you also are able to assist us in making technical drawings on autocad and vector works platform. You will work close together with our design and graphic team.

about uS

Creneau International is a Belgian concept and design consultancy with more than 25 years of experience in creating and delivering highly reputable projects worldwide. Creneau International has offices in Hasselt and Dubai. The total team of Creneau International exists of 60 team members.

We transform our client's brand values and mission statements into a total design concept. Our creativity incorporates trendsetting ideas and no-nonsense functionality. Through our design concepts, including interior design, brand image and graphic creations we make our clients reach for the stars. We offer comprehensive support in the development and implementation of concepts worldwide.

yOU oh yOU,

have a degree in interior design, architecture, product design or you can show relevant experience

love rendering more than your own mother

are able to create ultra realistic visuals

are able to create technical drawings on Autocad or vector works platform

are pro-active and can take initiative

are a team player

can handle stress

radiate more positivity than the sun

Knowledge of Rendering software, AutoCad, Vector Works, Photoshop and in the best case also indesign.

Knowledge of English is a must, Dutch is a plus.

We require a minimum of 3 years experience in the field of visualisation and a convincing portfolio of realisations.
