Job opportunity as a junior graphic designer.

whAt we need

Currently we are looking for a graphic designer to be part of our Hasselt design team. At Creneau International you will create brand identities, packaging design, signage, interior graphics, client and sales presentations and desktop publishing. You will work together with our interior designers, marketing and commercial team. Besides that, we also have several franchise concepts in our portfolio. For these franchises, you will work together with the franchise marketing team to create communication material.

yOU oh yOU,

eat, drink & breathe design, in fact you love it more than your own mother
are able to create concept stories that function as a basis to create a design and convince a client
are aware of the latest trends in (graphic) design
have experience in designing identities and creating production ready files
are aware of the technical side of the design process
can handle photoshop, illustrator and indesign as a knife and a fork
will make us love you even more if you know your way in motion design
have a fetish for typography
master many styles
work fast but not too fast
have personality but can temper your ego
are pro-active and can take initiative.
are a team player, no.. really this is a must!
can handle stress
radiate more positivity than the sun

knowledge of Indesign, Photoshop and Illustrator are a must. adobe premiere, aftereffects and sketchup are a plus
knowledge of Dutch and English is a must, French is a plus
